STRENGTH

OR

CONFIDENCE

GAINED

IN DRINKING

ALCOHOL

etymology

DURING THIRTY YEARS' WAR, in the 17th century, the British and Netherlands were at odds with each other over political, religious and trade boundaries. The British did however develop a liking of the Dutch spirit Genever (juniper). The Brits would consume copious amounts of the enlightened spirit and gain a confidence before battle. Hence, Dutch Courage.

You might know it as liquid courage.
